### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 39, line 7, "the movable" has been changed to – a movable --.

2. The following is an examiner's statement of reasons for allowance: Claims 1-66 have been allowed because the prior art of record does not disclose or suggest a drinking valve assembly comprising an inner member defining an aperture; and an outer member including a movable drinking spout extending from an upper surface of the outer member, the inner member and the outer member defining a channel extending from the aperture to a spout outlet; wherein the outer member has an inner surface that contacts the inner member about the aperture to block a flow along the channel with the spout in a first position, the inner surface of the outer member being displaced from the inner member in response to movement of the spout to a second position to enable flow along the channel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to LIEN TM NGO whose telephone number is 571-272-4545. The examiner can normally be reached on Monday through Friday from 8:30 AM -6:00 PM.
